INTERNSHIP EXPERIENCE

Frontend Trainer — June 2025-Aug 2025
Birat Global Academy I Biratnagar

- Contributed to web projects using modern development tools and frameworks (e.g., HTML, CSS, JavaScript, React, Node.js).
- Gained hands-on experience in project workflow, version control (Git), and collaborative development.
- Enhanced problem-solving, teamwork, and mentorship skills while working on real projects in a professional environment.

Computer Trainer — 2023-2024
Ocean Institute pvt ltd.

- Instructed students on fundamental computer skills including MS Office, internet usage, and file management.
- Provided practical exercises and demonstrations to help learners gain confidence in day-to-day computer operations.
- Assisted students in troubleshooting common computer issues and improved their overall digital literacy.
